

Diwali Collection

*A Range Of Festive Flavors
in Confectionery*

Our Diwali Collection

Diwali is a time of reunion, of friends and family, and celebrating this happy occasion together with special food and drinks. This is also the time when consumers loosen their purse strings to try new products and please children and other family members. Retail shelves are well stocked with limited time offerings and Diwali specials. Our Diwali collection is a carefully curated range of flavors that reflect trending, indulgent, traditional flavors in interesting formats !

Choco Salted Caramel Candy

Salted Caramel is an emerging flavor and this candy is a combination of flavors like chocolate, caramel, creamy and milky profile with a touch of salt. Something new to try this Diwali!

Coconut Barfi Eclairs

Coconut is widely used in home made sweets and desserts. This fusion of popular coconut Barfi taste in Eclairs is something that will make everyone curious to try!

Lemon Crunchies White Chocolate

Fresh Citrus notes in a smooth white chocolate with bits of Crunchies is something different, tasty and exciting that you will talk about long after eating it.

Apple Pear Jelly

This Jelly is sure to tickle your taste bud with fruity, pulpy apple flavor with a mild Pear after taste. A truly fruity any time fun Jelly to liven up your Diwali moments.

Kheer Toffee

Kheer is a favorite home made dessert prepared on special occasions. Kheer Toffee is a simple yet flavorful toffee which can be eaten after meals to skip a heavy dessert.

Choco Praline Candy

This Nutty, Caramelic and Creamy delight in Chocolate flavor is an indulgent candy that comes close to enjoying delicious cake.

Rose Milkshake Eclairs

Creamy Milk flavor with fragrant Rose notes is a convenient alternative to a popular local drink – Rose Milk loved by Kids. Best enjoyed after a spicy snack.
